From the President's Desk by Cliff Koonce

Since I am here writing this, the Mayans must have got it wrong or more likely; our interpretations were off of the mark. Regardless I am proud to be the club President for 2013 and am looking forward to working with everyone through the coming year. I am checking with Ford Trotter for his plans for a car show this year. We have grown this show in the past couple of years but unlike our regional show, he really is not looking for 100+ cars to show, he just enjoys giving back to the community. It has been a great honor to me for him to bestow this effort upon our club. Everyone enjoys a chance to show off their pony and see what everyone else will bring. People who go to car shows are some of the best to be around and we do gather quite a diverse group.

Most of the talk this year from MCA will be towards the upcoming 50th Anniversary in 2014 which I know we will be represented well. We should make some plans toward this throughout the year. On a different note, the 2013 Hot Rod Power Tour will be coming through Little Rock on June 3rd, a Monday. I am planning on attending this event for a 2nd time and would like for more to attend. If you have never been to one of these, whether you are a "long hauler" or just attend the run from Little Rock to Memphis, it is an experience you will always remember. This could be our June outing?

I plan to continue the traditions we have developed over the past few years of having a get together outside of the monthly meeting so be thinking of events we could have in the coming months. In closing I would just like to plant a seed for thought as I hope to grow this throughout the year, the Mustang Museum being built by Dale Mashburn.
