Hi Guys,

How is everyone? I'm doing great and as excited as ever. Things are going very well, and I'm having a fun filled summer. Hot!, but this is Arkansas and I'm lovin' it. I'm going to Dallas for the fourth. I know I'll see some cool 'stangs.

There was a storm on the day of the last meeting. However, quite a few members made it, including a new quest and a couple of welcome old faces.

We had a good meeting and took care of some important business. Thanks to Bob and Angie Crouse, we scheduled a cruise in at Sonic's on highway 5 in Benton for the 27th. Several of us did attend, but the timing was not the best and it may be rescheduled.

We've scheduled a rendezvous with 4 state Mustangers to DeGray Lake State Park on Aug. 11, and an evening at Gator's Park on July 8th.

Speaking of Gator's Park, our next meeting is July 8th, and I've arranged for us to go to Gator's directly after our meeting on that evening. This will be our July event. We have a very special rate if we have 10 or more members. We can ride go carts and do other activities until closing, for one low price. So let's all plan to go there and have some good family fun (racing etc.) after the meeting. I promise to close the meeting by 8:00. That's all for now. See you guys Thursday!

June Meeting Minutes

by Angela Crouse

James Ireland, President called the meeting to order at 7:00pm. We had 23 members in attendance at the meeting. The May minutes were approved as published in the Pony Express. We had one visitor present, Cassandra Butram who also was a former member. Cassandra is a friend of the Wilson's, her mustang of choice is a 1995 Coupe. Kim Riegler also joined us all that night for the meeting. We all want to give her a warm welcome back to CAM. Kim has a new red 2010 Mustang GT.

Carol Sipes gave the treasurer's report. We currently have 49 members of CAM. We had several expenses that have been paid for this month.

Tom Sipes, Several members of CAM went to the national show in OK and all won 1st place trophies. So Congrats to all of them! The rough draft of the show flyer has been proof read and there will be changes made to that. There was a motion made and passed for the first 75 participants registered in the show to receive FREE T-shirts. Motion was made and passed for Brian to DJ the music. If there is a need for a license for this he will get this as well.

Social Events - Motion was made and passed for the social event July 8th at Gator Park We will meet at the park at 8:00pm after the meeting.

Door Prize was won by Warren. It was a gift card.

Jim Wilson won a first place trophy at the 1st Landmark Baptist Church Car Show in Sheridan. He also participated in the Fordyce Cotton Belt Parade.

Meeting was adjourned at 8:03pm.

Congratulations to Jim and Kathy Wilson

Club members Jim and Kathy Wilson have been very busy lately. They were present at the Bearden Car Show and Gazebo Fest June 19th. They attended the Fordyce on the Cotton Belt Parade April 24th.

Rain caused the show that normally follows the parade to be moved to June the 12th, but Jim and Kathy drove their beautiful blue 2005 and won First Place.

On May 15th, they also attended the First Landmark Missionary Baptist Church Car Show in Sheridan, and again, earned a First Place. Our hats are off to you for getting out there and enjoying the shows.

Livin' on Tulsa Time

By Beverly Mashburn

If you have never attended the annual Shelby meet in Tulsa, you don't know what you are missing! There is road racing at Hallett Race Park, drag racing at Tulsa Drag Strip, a car show nearly without equal at the Marriott Southern Hills host hotel, a banquet, swap meets, high profile vendors, and every Mustang you can imagine.

The cruise on Thursday evening literally shuts down the town of Tulsa. Visualize (if you can) five and one half miles of Mustangs nose to tail cruising the scenic river front areas and ending up in historic downtown Tulsa to park, socialize, and admire each other's rides. This year's unofficial count was 881 Mustangs participating in the cruise/block party.

Several of our club members make this an annual event. The show generally falls around Father's Day weekend. One member in particular has not missed a meet since 1979. Usually, it only takes one trip to get hooked.

Word to the wise: get your reservations EARLY! Hope we see you there next year!
