Special Points of Interest

- Thursday July 10th
Regular CAM monthly business meeting at **Larry's Pizza West, 12911 Cantrell Road Little Rock.**
Eat at 6 pm, meeting at 7 pm.

From the Vice President's Desk by Charlotte Fason

Thanks to everyone who attended the last meeting. As Vice President I filled in for Joe while he was on vacation. We had a large & very enthusiastic group of Mustangers.

Jim & Kathy Wilson gave a report on the Pine Bluff Show. Hopefully next year the weather will cooperate. Thanks again for all your hard work.

DeAwana Brantley gave an update on the Wounded Warriors vehicle coming June 14 & the potluck at her parents home afterward.

The club presented a graduation gift to Jeffrey Brantley. As I said at the meeting, if he is the future of our club we are in very good hands. Congratulations Jeffrey.

Dale & Beverly Mashburn's Mustang Museum is nearing completion. We need to help & support Dale & Beverly any way we can with this project.

David Green & I are working on the design for the annual show awards. We hope to have a design to present to the club soon.

See you at the July meeting

Minutes from the June Meeting by David Clement

CAM Meeting Minutes-6/12/14

Vice President Charlotte Fason called the meeting to order at 7:00 P.M.

A motion was made and passed to accept the minutes as posted in the *Pony Express*.

Carol Sipes made the treasurer's report. We have 46 current members. Three new members were introduced: Mary Ann and Tim Rochelle ('68 fastback and a 2013 coupe), John Roberts (2014 Track Pack), and Brian Coolis ('72 convertible).

It was announced that Tom Sipes has the plaque that President Joe Healy will present to Crain Ford for their help with the Pony Drive.

Tom Sipes gave the MCA report. MCA presidential elections are coming up. Tom recommends voting for Jim. He has been involved with MCA for many years and Tom feels that he will do a good job.

Jim Wilson gave the Trotter show report. He said that considering the weather, everything went very well. They had about 15 cars. He thanked all those club members who helped him with advice. They are planning on having the event again next year on June 6th.

Vice President Charlotte Fason gave the October show report. They will have door prizes for the ladies as well this year. Riser has applied for their building permit, so they are running a little behind schedule. More details will be made available as they are known.

Dale Mashburn gave an update on the construction of his Mustang museum. He has 15 cars in so far, but he needs help decorating. A club outing may be planned at a later date to assist him with the decoration.

It was announced that all members who have not paid their dues will be cut from the e-mail list. All club members are encouraged to pass this on to any members they know of who have not yet paid for 2014.

It was announced that Jonny Butler passed away in May. He was a longtime member of the club. Additionally, John Webb is fighting a battle with cancer.

Also, one of our new member's homes was hit by the Mayflower tornado. No one from the club has been able to get in touch with them.

A motion was made and accepted to donate \$100 to the Wounded Warrior Project.

It was announced that member Jeffery Brantley, Jr. recently graduated from Little Rock Christian Academy with a 4.0 GPA. He has accepted a scholarship to Arkansas Tech University and will begin his studies there in the fall.

Meeting adjourned 7:43 P.M.

Classes may be combined or separated as needed for the betterment of the show. No alcohol, please.

A Special Thanks to Crain Ford Colonel Glenn

One Wednesday, June 25th, President Joe Healy and MCA director Tom Sipes, presented Crain Ford of Little Rock a plaque from our club. This is in recognition for their dealership hosting the "Mustang 50th Anniversary Pony Drive", on April 17, 2014. The award was presented to Ms. Angelica Rogers and Mr. Will Allen. Ms. Rogers was instrumental in getting the dealership involved and handling the logistics for the event in such a short time frame. The dealership also assisted several drivers in the Pony Drive to resolve issues they had with their Mustangs that morning resulting in all the cars getting on the way and on time
