From the President's Desk by Steve Collins

Greetings Fellow Mustangers,

January has passed quickly and I am almost healed up so I guess it is time to get going and get some club stuff done. I really want to have some fun things to do as a club other than shows. I will have my cookout and cruise as usual and I know some of you have thought of things we can do. It would be great if we can get someone on the books for each month. Have you thought about seeing the Turpentine Creek Wildlife Refuge? It is almost at Berryville with a great drive through the Ozarks. Just think, Lions and Tigers and Bears, oh my!! This would be a full day activity.

I want to thank Joe and Virgil for the hard work on the Crain Ford partnership. This is something new for the club and may be just the thing to get and keep new members. My GT is ready for an oil change now.

If you have time look at www.wingspur.org this is a rescue mission for wild MUSTANG horses. They save them from the meat plants. This may be something we need to look into for a gift of funds. The more money they get the more horses they can save. What a great thing for a Mustang Club. Think about it.

| From the Presidents Desk | 1 | The Fourche River Days car and bike show is April 25 th this year. Would this be a good day to do a cookout? We could do a short cruise after the show to work up an appetite. Last year the club members did well at the show. I would like to flood the parking lot with about 20 or so stangs. |
| Meeting Minutes | 2 | David is hard at work planning our show at Crain and if he calls on you for help please do all you can. I'm sure that Jim is working on the Trotter show so help there also. |
| Show Flyer | 3 | Enough for now. Drive it like you stole it !!!!!!! Steve |

January Meeting Minutes

By David Clement

CAM Meeting Minutes 1-8-15

President Steve Collins called the meeting to order at 7:03 P.M.

Carol Sipes gave the treasurer's report. We have 12 current members. Tom Sipes gave the MCA report. MCA is making an effort to get younger owners involved. Tom asked that if you have any ideas please tell him and he will pass it on to MCA. Charlotte Fason suggested having a young owner advisory board or having some young owners on the MCA Board of Directors.

Joe Healy was presented with a plaque for his service to the club as last year's president.

President Steve Collins wants the club to get back to doing more social events. If anyone has an event that they would like to plan, please let Steve know.

CAM members voted on charitable contributions to make with some of the excess funds left over from last year. This year CAM will make donations to the following organizations:

Arkansas Children's Hospital

Alzheimer's Association

Humane Society of Pulaski County

Arkansas Hospice

Special Olympics

Joe Healy discussed the partnership with Crain Ford and moving the CAM regional show to Little Rock. A motion was made and passed to approve the new agreement. For details of the new agreement, see Joe Healy.

The flyer for the 2015 CAM Regional Show was discussed. The flyer will mention "awards" instead of plaques or trophies to leave the club the option of doing either. A motion was made and passed to have David Green handle the flyer.

Charlotte Fason brought up the idea of driving a stretch of Route 66 this summer with the club.

Meeting adjourned 7:57 P.M.
