

From the President's Desk by Warren Walker

We had a rather small crowd for our October meeting; but we had a very meaningful discussion concerning our Regional Show in Hot Springs. We reviewed the things which made it such a big success and discussed some areas where we can even improve for future shows. We will continue to critique our methods and be open for new ideas and suggestions during forthcoming meetings. Thanks again to

all our members who worked so hard to make this a great show.

Also during our October meeting nominations were opened for 2007 officers and several nominees were accepted. Note that nominations will be open again during our November meeting for all offices. So, if you have the desire and the interest in serving your club please step forward. We need you. After all nominations are in we will take a vote

and elect our 2007 officers during our November meeting. We need good attendance for a representative vote.

We will also discuss in detail our plans for the fall pony drive to Mt. View on November 18. This should be a fun trip based on what we've learned from the Super Cruise Group in Mt. View.

Until our meeting have fun but cruise carefully.

October 19 business meeting minutes from Grady's Pizza, Little Rock by Secretary David Green

President Walker called the 17 members present to order at 7:00 PM. The September minutes were approved as published in the October *Pony Express*. Treasurer Jelaine Davis gave her report. On behalf of the club, Walker pre-

sented Show Chairperson Charlotte Fason with a crystal vase in recognition and appreciation for her hard work on the 25th Annual Regional Show. Fason then gave a show wrap-up report, with the membership discussing

various points. A committee will eventually be formed in 2007 for that show. The rest of the meeting was taken up with discussions concerning the cruise, Christmas party, and officer nominations. See articles this issue.

Hemmings Classic Car Magazine is currently searching for

those who are under-25 and own and/or repair their own car. They prefer cars from the 1960's and earlier that are stock or near stock (no hot rods). This is an open invitation to anyone in CAM, or even non-club affiliated, to directly contact Jeff Koch. Hemmings has a monthly page featuring the under-25s. To get started, Jeff needs name, age, hometown, what the car is, and a few words on how you got into older cars and why you like to own and drive them. Photos of car and owner are a plus. CAM supports and encourages our younger owners. We know they are the future of our hobby. Contact Jeff at:

Christian Car Club Show, Cabot, Ark., October 14: Guy Ashenberger's 1969 Mach I (modified) was awarded a Top Ten Award as well as Best Engine.

*Car show season is about over, but we are still taking results. Submit yours now. Thanks.

Your \$24 yearly CAM dues are due for 2007. Please send yours in now or renew at the meeting. See inside back cover for the form and address.

CAM to "Super Cruise" November 18 by David Green

The last CAM outdoor activity of the year will take place on November 18.

As noted on the flyer in this and last month's issues, we will cruise to Mountain View on Saturday, November 18. As the flyer mentions, this is actually a Friday, Saturday, and Sunday activity for those who wish to participate in more of the activities offered.

Those wishing to cruise as a group need to meet at James Matthew's Mustang Parts and Sales at 731 Hwy 5, which is 2 miles south of Rose Bud, Ark. (White County). James says it is about 45 minutes from McCain Mall to his shop. For the directionally challenged, call him at (501

556-5617—but not at 5 AM! You need to be there by 7:45 AM, because the caravan leaves at 8:00 *sharp*. The caravan will go as a group to Mountain View (Stone County) and join in the festivities.

Sounds like fun. Plan now to join in.

Final details at November 9 meeting or call Warren Walker before November 16 at (501) 847-8526.

2007 officer nominations to continue in November

In his comments on page 1, President Walker gave a good summary as to what will happen at our November meeting.

The slate so far is: President Tom Sipes; Vice President/Show Chairman Randall Davis; Secretary/Treasurer Jelaine Davis;

MCA Director Dennis Fason; Historian Mike Pate; *Pony Express* Editor Steve Collins (provisional); President-Elect 2008 John Riegler. All except Collins have accepted their nomination.

Nominations for each office will

reopen on November 9. If you wish to volunteer for a position, you need to come to this meeting. Nominations will then close and the vote will be taken. New officers will be inducted at the December meeting/party and take office on January 1, 2007.

Christmas Party December 2

By David
Green

After taking into consideration various factors, the membership at the October 19 meeting voted for the Annual CAM Christmas Party to be held on Saturday, December 2.

The office manager where Jelaine Davis works has once again graciously offered to us the use of the Roller corporate office facilities.

It is located at 13701 Chenal Parkway in west Little Rock. We have been

here several times before; most recently in 2005. Members should plan to start arriving around 5:00 PM. We will eat around 5:30 PM. We will once again cater in Corky's Bar-B-Que with all the fixing's. Each club member or family should bring one 2 or 3 liter soft drink. There will be a dessert contest. They will be judged on taste and appearance, with special consideration given to Mustang or Christmas themes. There will be a Grand Prize

gift certificate, and possibly some runner-up awards. Members are encouraged to bring anything they want to be auctioned off. No spending limit. Proceeds go to charity. In addition, we will have a "Dirty Santa" gift swap/steal game. Tacky or treasure, most folks spend around \$10 per gift. This is always great fun with a lot of laughs. RSVP to Jelaine at (501)831-4810 or davisjelaine@yahoo.com by November 25 so we'll know how much food to order.
