Hi Guys,

How are you this time around? Well, It's down to the nitty-gritty. Our Regional Show is this month, in fact next weekend. I'm very excited! Kudos to Dale Cole and the entire show committee. They've done an awesome job, and I feel very good about our the plans so far. We're geared for a most memorable event. We met September 30th to finalize plans and I truly think we are ready for our biggest and best show ever.

We've received responses from all around the region, which includes Mustangers from Louisiana, Texas, Tennessee, Oklahoma, and Missouri as well as all around our beautiful state. If the weather cooperates, we should have a great show.

If there's one area we need a little help with, it is door prizes. We'd like for everyone to receive one, but if we have a large turn out, we're probably going to be short in that department. So, I'm asking members, if you have something you can contribute, just bring it to the show. It won't be too late. Thanks in advance.

Many of us are coming over on Saturday evening. I know that some participants from out of state are planning on coming up on Saturday too, so we're planning to cruise to Sonic or something fun and exciting.

Our next meeting on October 14th, which will be at Grady's as usual, will be after the show. This will be an opportunity to assess the show and make plans for the rest of the year.

Our next outing is the October 23rd Cruise to Degray Lake, an event which was postponed in August due to extreme heat. We will be joined by Four States, Red River and The Stang Gang. Put this on your calendar, it should be a blast! I guess this is all for now. I'll see you at the show. Tell other 'stangers you see to join us, you never know. Later. Varoommm!!! James
