## Holidays!

by **Bev Mashburn**

Unbelievably, another year has nearly slipped past us. The car show season is winding down, and the cool crisp air is creeping in. Many of your car projects and outdoor activities will turn into planning sessions for next spring, and Mustang Magazines will help fill the long dark evenings.

Dale and I have enjoyed serving the club this year in spite of a few setbacks health wise and time wise. The people you meet in this type of activity are so interesting and enjoyable. We can be having a bad day at work, then all that goes away as soon as we see your smiling faces at the club meetings. We sincerely hope we have taken every opportunity to make your days better as well.

Dale has broke ground literally on the museum. I will let him tell you all about it at the meeting.

There is a lot of activity on the horizon for our hobby with the approach of the 50th anniversary. Our MCA representative Tom Sipes has a wealth of information to share with the club from the MCA meetings of last month. It appears the MCA has sound and dedicated leaders that know how to get down to business and get things done. Tom mentioned that there was very little down time at the Dallas meetings. Even the lunches were working lunches. I like that.

On another topic, I was especially proud to hear that we gained three family memberships during our October Show in Hot Springs. Knowing several of them personally, I can tell you that the club will benefit from the caliber of these members and their level of enthusiasm.

Ok, enough talk from me.

Bev

Now if having the cover photo is not enough, AND a four page spread.... Well, check out the centerfold.

Listen, the Budweiser Girls don't have anything on this Beauty!

## Christmas Party

by Beverly Mashburn

This year's annual Christmas Party will be held in Benton at the Western Sizzlin restaurant. A large room has been reserved for our members and their families to meet, eat, and participate in our Dirty Santa and the Auction for charity.

For those traveling from the Little Rock area, take 1-30 to Benton, take exit 117 and follow the signs to cross over the overpass and head back east on the service road. Turn right on Fleming Drive, which is a short street that goes up the hill to the back side of the restaurant. Our Hot Springs guests will exit 1-30 eastbound at exit 117 and stay on the service road to Fleming Drive.

We were unable to secure our original Christmas Party site for this year, but we hope this will be an acceptable alternative.
