This is a very busy month for the club. We have our annual car show at Riser Ford in Hot Springs Sunday the 13th. We need all club members that can be there to come help. This is our "Big One" and it takes all of us to put on a great show.

We also have to nominate officers for next year. We need everyone to be at the meeting Thursday to do this. If you have never served, or haven't served in some years, please consider serving. It takes all of us to have the great club that we have.

The show shirts are in and can be picked up at the meeting Thursday.

I talked with Cliff, and he said Trotter Ford in Pine Bluff wants us to manage their show again next year.

We also have an additional outing this month. It is a Show and Shine to support our troops. It will be in Jacksonville October 26th from 10:00 AM to 3:00 PM. We will confirm the rest of the plans for this outing during our meeting Thursday.

## Minutes of September 12th Meeting

by David Clement

CAM Meeting Minutes 9-12-13

President Cliff Koonce called the meeting to order at 7:03P.M.

Carol Sipes gave the Treasurer's report. We have two new members: Scott and Robin Olsen. This brings us to 40 current members.

A motion was made and passed to accept the Treasurer's report.

Tom Sipes gave the MCA report. Information about the 50<sup>th</sup> anniversary celebration is available on the MCA website. Tom will not be attending the Regional Directors' Meeting this year as it conflicts with the CAM show in Hot Springs. Tom also mentioned that MCA is once again offering a multiple year renewal discount.

Dale Mashburn gave an update on the museum he is building in Traskwood. There will be a meeting room, a kitchen, restrooms, and a shower. The museum will start with about 30 cars, but will have room for up to 45 cars. The inside of the metal building will be totally sheet rocked. Dale is looking for ideas for decorating the walls. It was suggested that a pictorial history of the club could be displayed on some of the walls.

Vice President Mike Pate gave an update on the preparations for the Riser show. Members of the club need to report to Riser Ford in Hot Springs at 4 P.M. to move cars for the show. Club members will then head to Steve Story's place and from there in to Blue Monkey for dinner. Custom Ink, an online printing company will provide the show shirts. There will be a one to two week turnaround time. Mike is still trying to determine if the photographer will be there.

President Elect 2014 David Green gave a speech about his vision for the upcoming year. David indicated that next year will likely be a very big year for the club since the Mustang will celebrate its 50<sup>th</sup> Anniversary in 2014. David acknowledged the hard work of the club's veteran officers and asked that they all continue to serve in the upcoming year. David suggested that the club consider contributing less money to charity at the end of 2013 so that the club will have more resources available for contingencies that may arise as a result of the 50<sup>th</sup>. David asked that club members consider what direction the club should go next year and bring their ideas to the meetings.

The meeting was adjourned at 7:57P.M.
