Greetings Fellow Mustangers,

As October approaches at "Mach 1" we need to be thinking about making the show the best we have ever put on. This will take effort from all not just some of the membership. We may even want to wear our club shirts instead of the show shirt so that all guests will be able to tell us apart from the people who buy and put on the show shirt. Be thinking of ways to make our guests happy and wanting to do our show again.

Also this month is the nomination of officers for the next year. It is hard to nominate someone if you miss the meeting. Remember you can have more than one name per office if you so wish. Who knows, we may have people running out of our ears that want to serve next year. I know you may get tired of hearing this but I have enjoyed my year as Pres. very much. Everybody has been ready to participate in the activities and events. The meetings have been well attended. The membership as a whole has had a very positive attitude all year. The fun of a club is being with the members. (More glowing praise to follow later)

As soon as the show is over we want to think about a fall cruise before the colors are gone. Also a trip to the drive in would be fun with cooler weather coming along. Be thinking about being able to afford or want to cruise to Branson and do the dinner cruise on the boat. Spend the night and come home later or whatever you want to do. After the show there is no need to fear bugs anymore so lets drive 'em.

The strangest thing happened at the Maumelle Park picnic. Only a few people were there for the most perfect weather you could ask for. We had a good time talking and telling stories but one wonders why people only come when it is over 100 degrees. I guess it doesn't feel right without sweat. Well, time to saddle up. Places to go and things to do. See you the 9<sup>th</sup>.

## September 11 minutes from Grady's Pizza

President Steve Collins called the 31 members present to order at 7:00 PM. Steve talked on the Schreurs Social and the Maumelle Park social.

Treasurer Carol Sipes gave her report, which was approved. The August meeting minutes were approved as published in the September

*Pony Express*. VP/SC Tom Sipes spoke on the October 12 show. Volunteers need to be at Riser Ford around 4 PM Saturday Oct. 11 to help move cars. A cruise to Mustang Pizza will follow at 6 PM. Secretary David Green told the membership that he would send out a blast e-mail regarding status of

Hurricane Ike and its possible effects on the Maumelle Park social. Upcoming shows were announced. Kim Riegler won a clock as a door prize drawing. President Collins reminded everyone of the officer nominations for the October meeting. Members adjourned at 8:06 PM.—David Green, Secretary

## Maumelle Park Social: Perfect Weather; Low Attendance

Hurricane Ike had departed toward St. Louis by dawn Sunday, September 14. The forecast was for improving conditions throughout the day. Partly

cloudy and 82 was the result. These people attended: David Clement, David & Mary Jayne Green, Robert & Angela Crouse; Ricky Fischer, Steve Collins,

James Ireland. Instead of spending \$50 for pavilion rental next year, the club may want to consider doing something else for a social.
